The Department of Cultural Affairs, Historic Sites Division is soliciting quotes for the Fort Stanton Water System Project. The project consists of the replacement of the existing water system located around the main parade ground within the Fort Stanton Historic Site.

Background: Fort Stanton Historic Site is located at mile marker 13.5 on New Mexico State Highway 220 in Lincoln County, NM. The existing water system was installed over a period of 67 years with the oldest section being installed in 1932. The system is fed from a 325,000 gallon water tank located approximately 0.25 miles south and above the main site. The water system provides water for 20 full time residents and over 22,000 visitors each year.

Plans: plans are available at [https://nmculture.org/assets/files/rfp/Fort Stanton_Full_Set_031621.pdf](https://nmculture.org/assets/files/rfp/FortStanton_Full_Set_031621.pdf)

Site Visit: if you wish to visit the site, please contact Tim Roberts, Deputy Director for Historic Sites at Timothy.Roberts@state.nm.us or 575-973-5711.

Questions: for questions regarding the project, plans or process please contact Nick Schiavo, Deputy Cabinet Secretary at nick.schiavo@state.nm.us or 505-827-8440. The final day to submit questions is **April 23, 2021**.

Construction Performance Bond: a construction performance bond in the amount of 50 percent of the total construction cost will be required as part of this project.

Quotes: all quotes are due before **3PM on May 5, 2021** and should be submitted via email to Danelle Lucero, Chief Procurement Officer at Danelle.Lucero@state.nm.us.
